### III Health is More Expensive Than Any Cure

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's Cough Remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale by all dealers.

According to present plans, there will be a double track railroad between Kansas City and Chicago before the end of next year. The Atchison, Topeka & Santa Fe has been double-tracking parts of its line between these two cities. J. E. Hurley, general manager, says that the second track would be built for the entire distance within nine or ten months. One hundred and forty-eight miles remain to be built. With the finishing of the second track, the Santa Fe will have a through double track between Chicago and Newton, Kan., 659 miles. There are four tracks between Kansas City and Holiday, Kan., and three tracks between Holiday and Emporia, Kan. There is now but one double-track railroad between Chicago and the Missouri river, the Chicago & Northwestern, from Chicago to Omaha.

Engine No. 1701, largest freight engine in the world, passed through Las Vegas yesterday afternoon from the Baldwin Locomotive Works at Philadelphia enroute to Winslow, Ariz. This engine weighs four hundred tons and pulled into Las Vegas from Raton sixteen hundred and twenty-five tons of freight in ten hours and thirty-five minutes. The engine was in charge of Engineer E. J. Baldwin coming into Las Vegas and was handled by Engineer Burt G. Lynch, road foreman of engines from Las Vegas to Albuquerque. The engine took 1280 tons out of this point, the train consisting of twenty-six cars of coal. A large number of people assembled about the engine yesterday during its stay in Las Vegas and all pronounced it the most powerful piece of machinery they had ever seen. Engine No. 1700 another of this same type of engines should pass through Las Vegas either tonight or tomorrow.

When you have pains or lameness in the back bathe the parts with Chamberlain's Liniment twice a day, massaging with the palm of the hand for five minutes at each application. Then dampen a piece of flannel slightly with this liniment and bind it on over the seat of pain, and you may be surprised to see how quickly the lameness disappears. For sale by all dealers.

### Rich Men's Gifts Are Poor

beside this: "I want to go on record as saying that I regard Electric Bitters as one of the greatest gifts that God has made to woman," writes Mrs. O. Rhinevaux, of Vestal Center, N. Y. ## Child Now a Hopeless Cripple May Be Cured By Difficult Operation

LITTLE MINNIE

Little Minnie is two years and six months old. She has never been able to walk, only to slide herself along the floor. She will never be able to walk, all through the light hearted day of her babyhood and girlhood, though she lives to be a mature woman, she must be wheeled about or crawl on her hands and knees.

Minnie is a dear little girl with sunny hair and bright, pretty face. Only she is even now so ashamed of her feet, and wants to walk. When she was a babe her father left her mother, the mother who is very poor, is herself with her other little girls, needing to depend on the charity of her neighbors for a living. Poor, crippled little Minnie; how sad if she were our dear little daughter or sister.

Can she be cured? The doctors say she can, no less an authority than the chief surgeon of the Santa Fe, Dr. J. P. Kaster, has outlined an operation by the celebrated bloodless method of surgery, whereby she can in a thrice, repeated operation, and a year of nursing be given the use of her feet, can run and play like other children.

The Children's Home Society, an organization which is trying to save the orphan and homeless children anywhere in the Southwest, which has already placed many children in good homes for adoption, found this little girl, and although this surgical work is not ordinarily a part of its work, could not pass her by, and so she is now in the care of the society at the Receiving Home in Albuquerque.

### IT'S ALWAYS BAD.

The Best of Backs Are Bad When They Ache, and E. Las Vegas People Know It.

A bad back is always bad. Bad at night when bedtime comes. Just as bad in the morning. Ever try Doan's Kidney Pills for it? Know they cure backache—cure every kidney ill?

If you don't, some E. Las Vegas people do.

Read a case of it: J. B. Mackel, 410 Grand avenue, East Las Vegas, N. M., says: "For several years I have strongly recommended Doan's Kidney Pills to persons suffering from kidney complaint in any form. As the result of a cold which settled in my kidneys, my back ached severely and I had pains through my loins. When I did any work that required the use of muscles of my back, the suffering was aggravated. Doan's Kidney Pills, procured at the Center Block Pharmacy, showed their worth by disposing of every symptom of the trouble. I publicly endorsed this remedy at that time and now after a lapse of several years, I can again speak in its praise. Doan's Kidney Pills can never fail to give me relief from kidney disorders."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

There are many other little ones under their care, but Minnie will need special nurse and expensive care, it will cost hundreds of dollars to cure her. The society, which is dependent on public contributions for its support must have this money given, if the cure is to be effected. They will do the work and give the patient care necessary. Do you want a share in this laudable undertaking? Sunday and day schools, benevolent societies, lodges and individuals are asked to send their help for this little girl. Make out your check or money order to C. E. Lukens, superintendent Children's Home Society, Albuquerque, N. M., or ask the editor of this paper to send it for you, full credit will be given for the editor of this paper knows the work being done and freely gives this space to aid the cause of humanity.

### Pneumonia

"In treating pneumonia," says Dr. W. J. Smith, of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by all dealers.

"Sure," said the professor. "What are your requirements? Would a football player suit you, or do you prefer a mandolin expert?"—Kansas City Journal.
